Dear Settlement Administrator,

I do not like the settlement proposed and must agree with Google. I do not see alleged harm, and the only people benefiting from this class action lawsuit are the lawyers. The lawyers are, in effect, extorting money from a company that provides free services to consumers. No one is forced to use Google. Lawyers such as Matthew Matic, Zak Harris, Charles Olson, & Eileen M. Pinkowski are engaging in selfish behavior. They are causing increased costs for the rest of consumers who benefit from corporate products.

These lawyers that want to be awarded "service awards"? For serving themselves; Are they kidding? I am sick of these class action lawsuits. I wish that they were illegal. Please remove my name from any lawsuit or settlement and help these lawyers to find meaningful work. They do not represent me.

Sincerely,

Lana L. Olsson
